POLICY NO. 18

BOARD OF COUNTY ROAD COMMISSIONERS
OF THE COUNTY OF ST. CLAIR

SUBJECT: Loaning Snow Fence and Barricades

AMENDED: September 7, 2010

Snow fence, barricades and other items used for traffic control will not be loaned to any individual or organization except to other county agencies and local municipalities. The loan of such items must be for a specific time period and be short term. All requests must be approved by the Managing Director, and may be permitted or denied as determined by the needs of the Road Commission.

Snow fence, barricades and traffic control equipment must be picked up and returned in the same condition received. If not, the agency or municipality must restore it to the original condition in which it was received or replace same. Should the Road Commission require the use of the items during the period they are on loan, they will be returned immediately to the Road Commission upon request.

Timothy J. LaLonde, Chairman

Kirk D. Weston, Managing Director
