POLICY NO. 52

BOARD OF COUNTY ROAD COMMISSIONERS  
OF THE COUNTY OF ST. CLAIR

SUBJECT: Engineering Costs on Local Road System Projects

AMENDED: April 9, 2002

Necessary engineering for survey, design and construction on local road system projects will be provided by the Road Commission upon township request and in accordance with an approved engineering services agreement. In the event a project is not completed, engineering costs will be billed in accordance with the engineering services agreement.
