

POLICY NO. 67

BOARD OF COUNTY ROAD COMMISSIONERS

OF THE COUNTY OF ST. CLAIR

SUBJECT: County Road Maps

ADOPTED BY BOARD OF COUNTY ROAD COMMISSIONERS: February 7, 1995

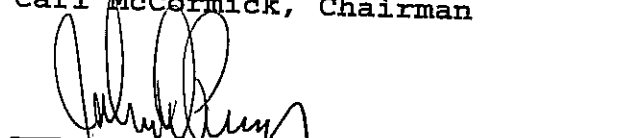

Due to increasing costs of printing St. Clair County Road maps, it was decided by unanimous vote of the St. Clair County Board of Road Commissioners on November 13, 1984 that the following procedure would be in effect:

1. No charge to St. Clair County municipalities for a reasonable number of maps.
2. No charge for a request of one (1) to three (3) maps.
3. A charge of 50¢ per map for any request above three (3).

On August 20, 1991 the St. Clair County Board of Road Commissioners increased the cost of the maps to 75¢ for each map above three.

Staff recommends this procedure be made a formal policy and included in the St. Clair County Road Commission Policy Book.
