

POLICY NO. 82

BOARD OF COUNTY ROAD COMMISSIONERS
OF THE COUNTY OF ST. CLAIR

SUBJECT: SEWAGE DISPOSAL SYSTEM EVENT PROCEDURES

ADOPTED: February 18, 2003

Legal Citation: Act No. 222, Public Acts of 2001, amending P.A. 170, Public Acts of 1964

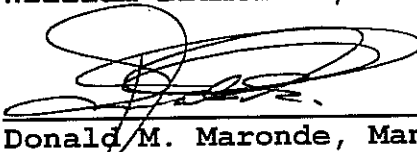

The amended law requires the specific governmental agency to take responsibility for an incident regarding a sewage disposal system event causing damage/flooding to private property.

Proper procedures must be in place to accept notice of claim, do proper filing with the respective governmental agency responsible, inspect area in question and determine if there is cause for claim for damages.

The St. Clair County Road Commission shall adopt procedures and proper notification forms in order to be in compliance with the above stated law. Further, the procedures shall be reviewed annually to keep current with updated legislation.
