FOR INFORMATION, CONTACT: JENNIFER NELSON 810-364-5720

### **Range Road at Yankee Road Roundabout Construction – Yankee Road East of Range Road to Close**

Construction of a roundabout at Range Road and Yankee Road will shift traffic for the next stage of construction. As a result, **Yankee Road east of Range Road will close through the remainder of the project. The detour route will be Davis Road to M-29.** South bound traffic will continue to be maintained on Range Road from 1/4 mile north of Yankee Road to Brown Street, and north bound traffic will continue to be detoured Brown Street to M-29 to Davis Road with trucks detoured Fred Moore Hwy to Clinton Avenue to M-29 to Davis Road. Yankee Road west of Range Road will open to traffic.

Traffic will be maintained within the construction zone, including to homes and businesses. Local residents and emergency vehicles will have access to local properties throughout the entire project. Local residents are encouraged to plan for delays due to construction. We request your cooperation and patience.

Construction is scheduled to be completed late September 2024. All scheduling and project dates are subject to change depending on weather and the contractor's schedule.

This project is financed by the St. Clair County Road Commission, the State of Michigan, and the Federal Highway Administration at a total estimated cost for construction of \$1,043,000. The prime contractor is M.L. Chartier Excavating, Inc.
