September 17, 2024

Subject: Gratiot Road Construction – Wadhams Road to 1.3 miles west

The St. Clair County Road Commission will be reconstructing Gratiot Road from Wadhams Road to 1.3 miles west beginning approximately August 26, 2024. Construction will consist of removing the existing asphalt pavement, rubblizing the underlying concrete, placing a new layer of aggregate base material, and repaving roadway with asphalt. Some areas near Wadhams Road will have only have a layer of asphalt milled off and replaced. Once complete, the configuration of the roadway will not change.

Construction will be completed under a full road closure. The Contractor will **detour Gratiot Road traffic for approximately 21 days**. During the closure, the Contractor will be permitted to work on Saturdays and Sundays in an effort to meet the completion deadline. Gratiot Road traffic will be detoured to Wadhams Road and Rattle Run Road.

Access will be maintained to local traffic within the construction zone, including homes and businesses, during construction. Emergency vehicles will have access to local properties throughout the entire project. Local residents are encouraged to plan for delays due to construction. We request your cooperation and patience.

Sincerely,

Jon Winckler
St. Clair County Road Commission
