COMMISSIONERS: Timothy J. LaLonde, Timothy M. Ward, Michael Lauwers

April 16, 2025

**Subject: Krafft Road Construction – Parker to M-136
Fort Gratiot Township**

The St. Clair County Road Commission will be reconstructing Krafft Road between Parker Road and M-136 beginning approximately April 24, 2025. Construction will consist of installing new storm sewer, crushing, shaping and stabilizing the existing asphalt surface and repaving roadway with asphalt. Once complete, the roadway will have a two-foot paved shoulder.

Construction will be completed in two stages. Stage one will consist of all storm sewer operations, including ditching, culvert replacement and storm sewer installation. Work will be completed under a daytime single lane closure utilizing traffic regulators. The road will be reopened to two-way traffic at the end of each day. Stage two shall consist of crushing, shaping and paving the roadway. Stage two will be completed under a full closure from Parker Road to M-136. Krafft Road traffic will be detoured using State Road, Keewahdin Road and M-136. During this time, access will be maintained to all homes within the closure limits.

Stage one is anticipated to take approximately three weeks starting April 24. Stage two is anticipated to take approximately two weeks starting in early June.

Access will be maintained to local traffic within the construction zone, including homes and businesses, during construction. Emergency vehicles will have access to local properties throughout the entire project. Local residents are encouraged to plan for delays due to construction. We request your cooperation and patience.

Sincerely,

Jennifer Nelson
St. Clair County Road Commission
