Krafft Road between Parker Road and Pine Grove/M-136 closed to through traffic starting June 16, 2025.

To prepare for paving, Krafft Road between Parker Road and Pine Grove/M-136 will be closed to through traffic starting June 16, 2025 through early July. The posted detour route is State Road to Keewahdin Road/M-136 to Pine Grove/M-136.

Work will include trenching the roadway, crushing the existing asphalt, injecting the crushed material and paving with HMA upon completion.

Access will be maintained to local traffic within the construction and closure zone, including homes and businesses, during the closure. Local residents and emergency vehicles will have access to local properties throughout the entire project. Local residents are encouraged to plan for delays due to construction. We request your cooperation and patience.

Construction is scheduled to be completed in early July. All scheduling and project dates are subject to change depending on weather and the contractor's schedule.

This project is financed by the St. Clair County Road Commission, the State of Michigan, and the Federal Highway Administration at a total estimated cost for construction of \$817,000. The prime contractor is Teltow Contracting, Inc.
