Long Island Court over Unnamed Canal Construction to begin September 2, 2025.

Construction on Long Island Court over Unnamed Canal in Ira Township is set to begin on September 2, 2025. Construction includes removal of the entire existing bridge, placing new concrete footings, new timber deck, new guardrail, approach work and site restoration.

Traffic will be reduced to one-lane and traffic is expected to yield at bridge before crossing. Access will be maintained to local traffic within the construction zone, including homes and businesses, during construction. Emergency vehicles will have access to local properties throughout the entire project. Local residents and businesses are encouraged to plan for delays due to construction. We request your cooperation and patience.

This project is financed by the Federal Highway Administration, State of Michigan and St. Clair County Road Commission at a total estimated cost for construction of \$966,900.00. The work will be performed by **C. A. Hull Co. Inc.**
