Marine City Highway and Palms Road Roundabout Construction Update

Construction of the north-half of the roundabout at Marine City Highway and Palms Road will be complete and open to traffic by end of day Monday, October 6, 2025. Construction will begin on the south-half at this time.

Only west bound traffic will continue to be maintained on Marine City Highway thru the construction zone. The posted detour for east bound traffic will be Church Road to Meisner Road to Starville Road.

Palms Road north of Marine City Highway will be open to traffic by the end of the day on October 6. East bound and thru traffic will be detoured Springborn Road to Starville Road to either Marine City Highway or Arnold Road, depending on the destination.

Palms Road south of Marine City Highway will be closed October 6 for the construction of the south half of the roundabout. Traffic will be detoured Arnold Road to Starville Road to either Marine City Highway or Springborn Road, depending on the destination.

Traffic will be maintained within the construction zone, including to homes and businesses. Local residents and emergency vehicles will have access to local properties throughout the entire project. Local residents are encouraged to plan for delays due to construction. We request your cooperation and patience.

Construction is scheduled to be completed late October 2025. All scheduling and project dates are subject to change depending on weather and the contractor's schedule.

This project is financed by the St. Clair County Road Commission, the State of Michigan, and the Federal Highway Administration at a total estimated cost for construction of \$1,300,000. The prime contractor is M.L. Chartier Excavating, Inc.
