### **Recor Road from Pointe Dr West to End Seawall Construction to begin December 16, 2025.**

Construction on Recor Road from Pointe Drive east to end at seawall on St. Clair River in East China Township is set to begin on December 16, 2025. Construction includes storm sewer removal, storm sewer replacement, drainage structures and slope restoration.

Traffic will be reduced to one-lane. Access will be maintained to local traffic within the construction zone, including homes and businesses, during construction. Emergency vehicles will have access to local properties throughout the entire project. Local residents and businesses are encouraged to plan for delays due to construction. We request your cooperation and patience.

This project is financed by the St. Clair County Road Commission and East China Township at a total estimated cost for construction of \$187,700.00. The work will be performed by **Murray Underground Systems, Inc.**
