Wadhams Road and St Clair Highway Roundabout Construction starting August 10, 2026

Construction of a roundabout at Wadhams Road and St Clair Highway is scheduled to begin on **August 10, 2026**.

During construction, **the intersection will be closed completely to traffic**. This pattern will be maintained for the duration of the project. The posted detour for Wadhams Road will be King Road, and St Clair Highway will be detoured to Fred Moore Highway.

Traffic will be maintained within the construction zone, including to homes and businesses. Local residents and emergency vehicles will have access to local properties throughout the entire project. Local residents are encouraged to plan for delays due to construction. We request your cooperation and patience.

Construction is scheduled to be completed in early September. All scheduling and project dates are subject to change depending on weather and the contractor's schedule.

This project is financed by the St. Clair County Road Commission, the State of Michigan, and the Federal Highway Administration at a total estimated cost for construction of \$463,000. The prime contractor is Asphalt Specialists, Inc.
